

Nicole Farrell, Borough Coordinator for Guildford

Email: guildford@familyvoicesurrey.org

Nicole joined our team in October 2018 and is mum to 4 beautiful children. Nicole's eldest child and her only daughter was diagnosed with Down's Syndrome one hour after her birth which was unexpected and a real shock. Her eldest son also has additional needs and so have become a SEND expert parent by experience. She totally understands the fight - going after what you need for your children to have the best support. She is passionate about seeing things changed within the education system to see our children better supported.

Nicole believes that children don't always fit in the box, sometimes the box needs to be changed for them. She doesn't want to see parents beating themselves up because the system doesn't always work. One size doesn't fit all, every person is completely unique and the way they are wired is important. Nicole loves working for Family Voice because she believes we can bring about change not just for our own children but for the families we support. Your voice is important because words can affect change for the better. Together we can make a difference.

Nicole hosts events both virtually and in person. If you would like more information about these then please use this link for the full FVS calendar of events across Surrey [FVS Events Calendar | family-voice-surrey \(familyvoicesurrey.org\)](#)
